

Evaluating Development Education

24th March 2010

Liverpool

- **understand the key concepts of evaluation**
- **understand the usefulness of different techniques**
- **apply this learning to your own context**

What is the course?

This course explores evaluation in theory and its practical application. This training is set specifically within the context of what is known as development education (that may include global learning and global dimension).

Who is it for?

The course is for Senior Leaders, Citizenship Co-ordinators, Teachers and development education practitioners

Who is the Trainer?

Harm-Jan Fricke is an education, advocacy campaigns and organisational development consultant, who uses creative and businesslike approaches in his work. He has a long track record of working with development education.
